Rajeev is chasing his dreams with Passion

---

**Job Title and company:** Lead Designer, Bechtel India Pvt. Ltd. Gurgaon, India.

**Salary:** 150,000 per month

**Professional Qualification:** ITI-D.Man Mechanical, Arab ki Sarai, Nizamuddin, Delhi and Diploma in Electrical, Rajasthan University.

Rajeev belongs to the middle class family in Delhi; He lost his father in early age when he was in class-5<sup>th</sup>. He had mother and 2 brothers. He completed his Intermediate from a Government School in Delhi. He was also helping his mother for income to survive during study. After passing 12<sup>th</sup> he did not know what to do now because no one was there to guide. He took admission in Draughtsman-Mechanical course, in ITI Arab ki Sarai, Nizamuddin, Delhi. He did not know what actually his Course. But he was lucky to have Mr. Ashok Kumar Verma as his Instructor, under the guidance of A.K. Verma sir Rajeev had successfully completed his course and passed with 1st division. He was very serious for his study and wanted to become primary income source for his family as soon as possible. He started his career from a small Electrical contracting company and now he is very successful in his career and working in a USA based MNC Company with attractive amount of Salary.

***“The great teacher is not the man who supplies the most facts, but the one in whose presence we become successful people”*** said Rajeev about his instructor. Thank you very much sir being a mentor of my life.

## Ajay Kumar is chasing his dreams with passion

**Job title & Company:-** Canrius, Networking  
Connection

## **Pankaj Kumar is chasing his dream with passion.**

**Job title and Company:** Assistant Manager in Technical department, Transsion Holding India Pvt. Limited.

**Salary:** 85000 /-Month.

**ITI and Course:** ITI in Radio & TV (363/05) from ITI Nizamuddin Arab Ki Sarai East New Delhi.

My name is **Pankaj Kumar**. I am belonging to Delhi and come from a lower middle class family. My father is a farmer & my mother is homemaker.

Behind of my achievements my mother is the main hero, who is encouraged me to study and find a purpose in life in place of Labour job , I joined the ITI after completed 12th Standard to learn industrial education , so that I can improve my carrier. After completing the ITI course I got an opportunity in LG Company as Service engineer with 9500/- monthly salary. That was the special day for me & my family. During the job period I had complete my diploma as distance learning mode. I got many exposure of learning in HCL.

To make a growth in salary and carrier I decided to switch the company, currently I am working in MNC Company as assistant manager and leading technical team.

### **ANUPAM YADAV is chasing his dream with passion**

**Job title and Company:** Junior Executive Maintenance

**Salary:** Rs.26303 C.T.C

**ITI and Course:** ITI Arab-ki-Sarai, Nizamuddin in Electrician trade.

**Session:-** 2021-23

I **Anupam yadav** come from middle family. My Father is a farmer and mother is housewife. I belongs from U.P. I have also done BSC from DELHI UNIVERSITY. In the month of Jun 2023 I got to know there is opening in KONE elevator India PVT LTD. I have cleared three phases of the interview which I had cleared successfully. ITI is the place where we can learn theoretical as well as the practical knowledge which help me lot to get job in Kone Elevator Company.

On 10th of Oct 2023 I joined KONE as Junior Executive Maintenance and I am completely satisfied with my job.

## **Pradeep Gautam is chasing her Dreams with Passion**

**ITI and Courses:** Motor Mechanic Vehicle from Arab ki Sarai Nizamuddin.

**Session:-** 2018-20

Pradeep Gautam comes from a lower middle-class family in Delhi, his Father is sewing machine mechanic and his Mother a Homemaker. “My parents have always encouraged me to study and find a purpose in Life,” says Pradeep. He joined the ITI after his 12th standard and was clueless about his Future and Career. He had joined the Certificate Course in Motor Mechanic Vehicles at the Arab ki Sarai Nizamuddin because he had to make something. Pradeep admits to being dis-interested in the starting “I had made up my mind that this would be a boring classes and will not help me in any way. But I was wrong,” explains Pradeep. This course helped his gain confidence to speak in public, face Interviews, and most importantly the Focus to build his Career.

## **Praveen Kumar is chasing her dreams with passion**

**Job title & Company:-** Supervisor, Maruti Suzuki  
Master, Okhla

**Salary:-** 22000/-

**ITI & Course:-** Arab-ki-Sarai, Nizamuddin & Mech.  
Auto Body Repair

**Session :-** 2017-18

My father is working as a salesman (sampling of cloth) & mother is housewife. I hereby thank you for guidance me to the future journey, It's very thankful to my Teacher and gives me an opportunity for their guidance. I just want to say, "A teacher affects eternity; he can never tell where his influence stops. "This training works for me like a Stepping Stone in my career. After doing this training, my vision became clearer.
